### Technical Tips:

- You can view the virtual event using a laptop, tablet, phone, smart tv, etc. If you have the ability to connect to wi-fi, that is preferred for the best connection.
- Make sure your device is charged! Have a charger handy if needed.
- Google Chrome or Firefox are the preferred browsers for the best connection.
- Go to <https://projectharmony.com/events/annualupdate> and the livestream video will appear right on that page underneath the event information (date, time, etc.)
- The chat feature is located directly below the video. Enter your first and last name, agree to the Terms & Conditions, and the chat will become available to you.
- Make sure your device volume is enabled and turned up.
- You can make the video full screen by clicking the icon at the bottom corner of the video. Please note that the chat will not be visible in the full screen mode.

### QUESTIONS OR TECHNOLOGY ISSUES?
